April 4, 2025
2:15 pm - 3:00 pm
Attendees: Gabby, Kacie, Harper, Viet, Thenn
Current Team leader: Viet Vu

Updates:
- Team's progress over the last week:
  - Frontend:
    - Worked on profile and expenses page
    - Directs directly to home page on load
    - Added logo to home page
  - Backend:
    - Can add expenses see the changes reflect in the database
    - Researched voice memo feasibility
  - Whole team:
    - Integration, merging

Meeting:
- Low contrast between the text and the pink bubbles on the profile page
  - White too light
- Is having two category sections necessary?
  - UI should be different, have a drop down for the category OR allow them to type, instead of having two separate sections
- Sorry i got ganked by housing so the notes are a little spotty this week
- Follow the template for the final report, but feel free to add more sections if you feel is necessary
  - **Final Report Deadline:** May 9th or 11th (will confirm next week)
  - **Final demo:** May 2nd, Friday meeting with all other teams

To Do:
- Frontend:
  - Finalize Dashboard page
  - Mockup voice memo feature on figma
  - Finalize expense page
    - File import UI
    - Finish the Add New Expense popup/page
- Backend:
  - Fetch data from database as requested based on filters chosen
  - Voice memo implementation
- Everyone
  - Final report
